STUDENTS REACH NEW HEIGHTS

Jordan Vitalis on the climbing wall trusting his peers to keep him safe

To begin the new year 140 City Academy, Hackney students took part in an outward bound residential in Aberdovey. Generously funded by one of our sponsors KPMG, the purpose of the trip was for students to challenge themselves, learn new skills, build their House identity and develop their ability to work well in teams. Students participated in a wide range of activities, including canoeing, night-walking, orienteering, climbing and hiking. There are many more great pictures inside.
