## HOCKEY TEAMS SCORE WINS

Essex Cup hockey finalists: Tansel, Eugenie, Georga, Ryanna, Vanessa, Elizabeth, Taiwo, Olivia, Kayleigh and Maria delighted with their medals. Congratulations to the girls' hockey team who have won a place in the Essex cup final of the Emerging Schools Cross Borough Hockey Tournament. Particular mention to goal scorers Kayleigh Morris, Vanessa Pateco Te and Olivia Eastwood Gray.

Also well done to the boys hockey team which was led by team captain Mohammed Namoun. Well done to vice-captain Terry Amofo who helped our team win against the only other Hackney team, Bridge Academy.

Hockey team: Mohammed, Ibrahim, Can, Emanuel, Liam, Joel, Harjeet, Davinder & Terry

**Basketball** On Wednesday the boys' basketball team played against Mossbourne Academy. The final score was a hard-fought 24-30. Well done to team captain Jan Habiak who was superb in attack and 16 point scorer Ramaar Morgan-Johnson.

## LEARNING FROM BUSINESS SPONSOR

**Djmond, Dominic, Liam, Durelle, Thais, Courtney & Adiba at KPMG**  
A group of City Academy, Hackney students visited the offices of one of our sponsors KPMG at Salisbury Square last week. The visit was organised for students to learn from KPMG's hospitality team to learn about client service. Through workshops students learned about serving in a fine dining room, customer service and the work of a front of house team. KPMG's Client Support Services Manager said "We were really impressed by the enthusiasm shown by the students." Duygu Akin said "I enjoyed the trip because it gave me a lot of ideas about dealing with customers properly". Students will be applying what they learned as student concierge in helping in the office and coffee bar.

# A Week at The City - The Inside Story

## CONSULTATION WEEK SUCCESS

One of the key ways in which The City Academy, Hackney stands out is the emphasis we put on personal advice and guidance. Three times a year parents are invited to individual appointments to discuss progress. Parents were impressed with their experience. Feedback they gave included

### Liam and his mum come to discuss progress

'My personal adviser explained my daughter's progress clearly'. 'Good explanation of target setting'. 'Excellent time without feeling rushed or unheard.' 'Greatly impressed with learning'. To improve the week parents suggested being emailed the information and being able to meet all the teachers. A List students were invited to a special meeting where students and parents shared ideas on how students can be supported.

## MATHS CHALLENGE

Well done to the tutor groups who are through to the second round of

The City Academy, Hackney's Maths challenge. Points were as follows: NGT-57, MGC-56, AGM-54, LGM-74, NGC-38, NGY-78. The remaining tutor groups compete next week.

## FAIR TRADE WINNERS

Well done Fatima, Jianpei & Nadia who won the Free Trade poster competition. We swapped all coffee and tea for free trade products.
